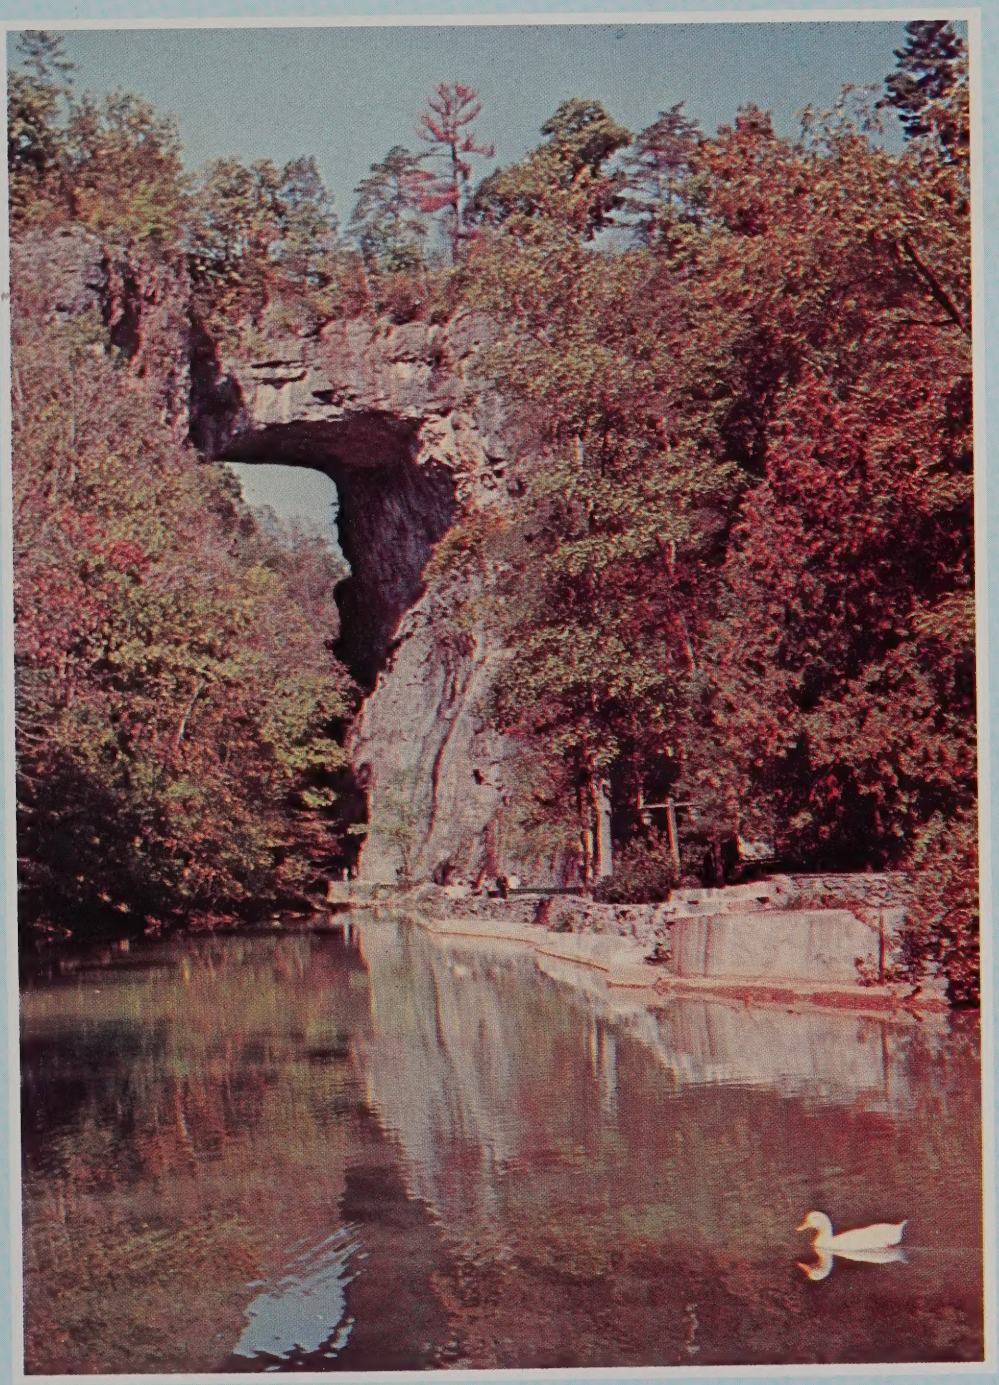
FOREWORD:

As you shall look back on this school year, your thoughts will undoubtedly be mixed with many emotions that you felt day after day. It is our desire, in putting out this yearbook, to help capture for your memory the day by day process of education that you have been exposed to throughout the year, as, this year is unique in its purposes and goals, as each succeeding year shall be. As you shall venture through the years, whether you leave Natural Bridge this year or in a succeeding year, it is our hope that the influence of Natural Bridge High School shall follow you through life as will the memories of your days here.

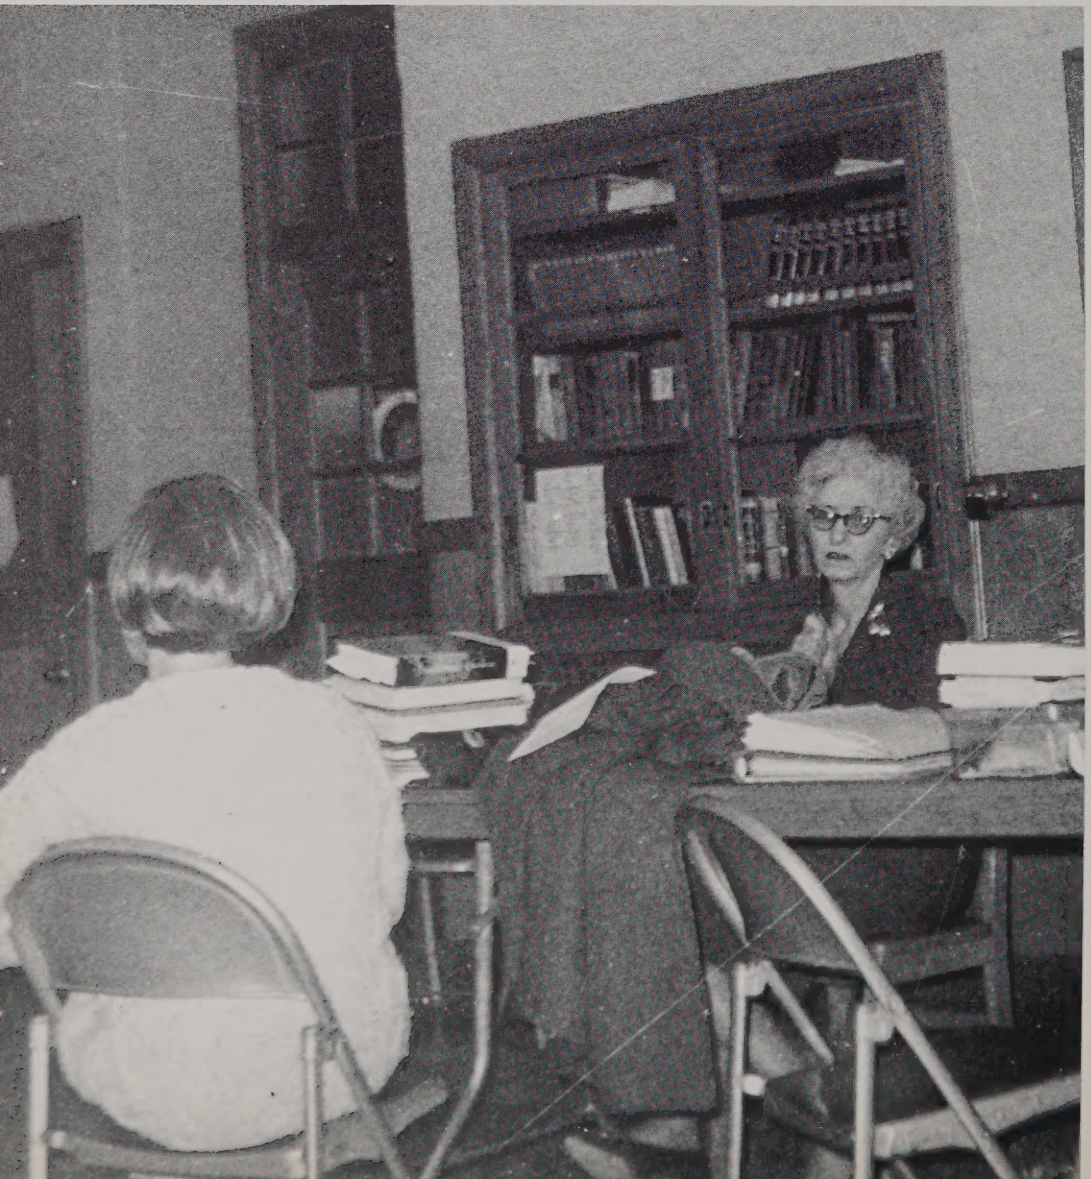
ALMA MATER

Guarded by encircling mountains
Beautiful and blue
Stands our noble alma mater
Glorious to view.
Lift the chorus speed it onward
Ne'er let praises fail
Hail to thee our alma mater
Natural Bridge High School hail!



DEDICATION . . .

We, the students of Natural Bridge High School, in order to express our sincere affection and appreciation for her many years of service to our school, wish to dedicate this, the xxix issue of the "Span" to Mrs. Anna J. Hodges, who because of her unselfish devotion to her students and to the Beta Club, has earned this honor.



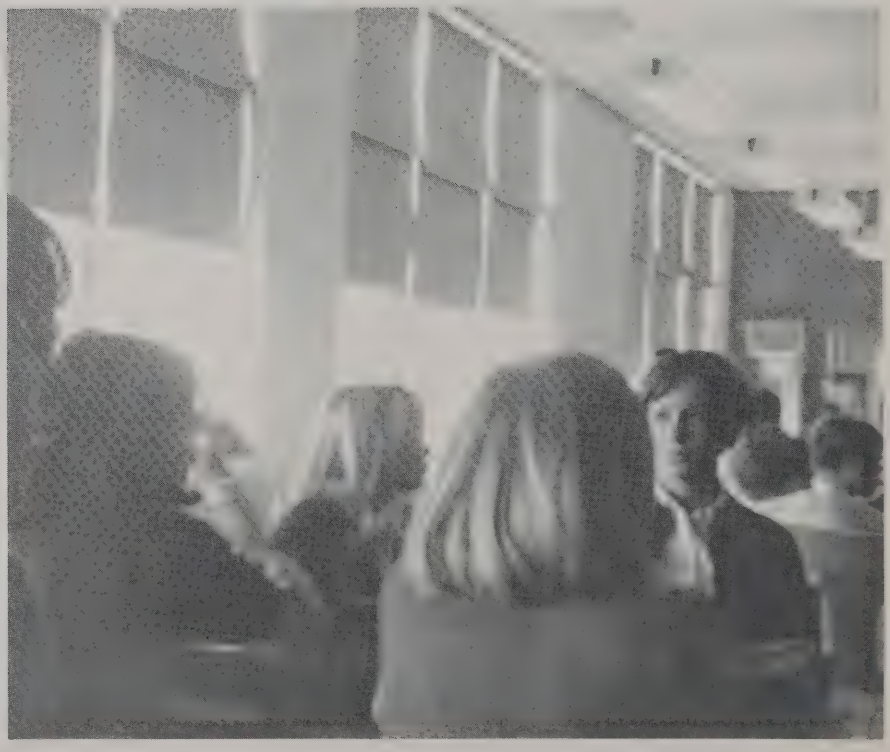
Teaching math to her classes is Mrs. Hodges' principle goal.

MRS. ANNA J. HODGES

The S.C.A., like any other club, has its slow moments, however they seem to be very rare!

Some people don't know whether they're coming or going, they are called seniors . . . . . .

This is what you call undivided attention, it must not be a class period!



Football games were an important part of 1967-68 year.

Only a senior could find something funny about chemistry!

It was a rare occasion that these boys were watching instead of playing football!

Our mighty Rocket team!

Even our teachers got to the games and into the spirit.

The practice that these boys went through in the summer paid off in the fall!

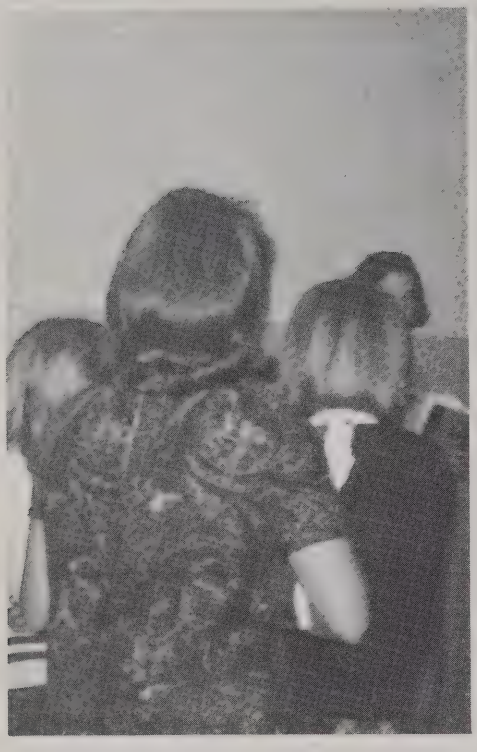
Homecoming queen for 1967 was Sharon Driscoll

HOMECOMING 1967

For Homecoming 1967 we played Buena Vista's Fighting Blues and won with a score of 19 to 12, to top a perfect night of Homecoming Festivities started two days before with the bonfire.

LEFT TO RIGHT-Larry Ogden, Pam Nixon 8th grade, Sandra Ferguson 9th grade, Danny Barger, Philip Williams, Verna Anthony 10th grade, Susan Spangler 11th grade, Philip Wills, Wayne Conner, Becky Campbell Senior, Debbie Alford Senior, Mike Ogden, Tommy Harrison, Sharon Driscoll Queen.

Something always seems to be happening down the hall.



Working on the floats for Homecoming was hard work but it paid off that night at halftime.

Coming back from a successful night at Klassroom Kwiz, they stopped to eat at one of the finer places, Ye Ole Kennyburger!
